> field**

> David:

> The Division of Oil, Gas, and Geothermal Resources (Division) has placed in the mail
> today its application to exempt the Dollie Sands in the Arroyo Grande oil field. Attached is
> the transmittal letter from the Division, a concurrence letter from the State Water Resources
> Control Board, and a copy of the comments received from public comments and the State's
> responses. Although we have placed all this information on the DVD that we have mailed
> today, this information is also available on the Division's website. We look forward to
> working with the United States Environmental Protection Agency to answer questions and
> provide any additional information necessary to process this application. If you have any
> questions, please feel free to contact me.

> Sincerely,

Robert S. Habel, Special Assistant
